THE YEAR OF GROWING

Celebrating St. Luke's Patronal Festival Today

From Our Priest Assistant Marcia....

Sometimes I have a song
persistently floating through my
head and over the years

I've learnt to take notice of its message.

Lately it's been Art Garfunkel's 'Woyaya'

*We are going, heaven knows where we are going,
We'll know we're there.*

*We will get there, heaven knows how we will get there, we
know we will.*

*It will be hard we know, and the road will be muddy and
rough, but we'll get there,*

heaven knows how we will get there, we know we will.

Our readings today talk of hard journeys and persistence but they also promise eventual success in God's time.

Cartoonist Leunig offers his comment:

How to Get There

Go to the end of the path until you get to the gate.

Go through the gate and head straight out towards the horizon. Keep going towards the horizon.

Sit down and have a rest every now and again,

But keep on going, just keep on with it.

Keep on going as far as you can.

That's how you get there.

God help us to change.

To change ourselves and to change our world.

To know the need for it. To deal with the pain of it.

To feel the joy of it.

To undertake the journey without understanding the destination. The art of gentle revolution.

....Marcia

The famous Australian Horse Trainer the Late J.B. A stable hand asked him after the Priest had blessed a new member to his stable - "Does that make him win", to which Bart replied - "No, not if he can't run fast enough". ...*Pete*
