The challenges of God's plan

Two years ago I arrived at St Peter's after a whirlwind year which culminated with my ordination as a Deacon in our Anglican church. I am still astonished at God's plan for me. I knew God had a role for me in the church as early as my teenage confirmation; but at that age ordination of women was not a consideration.

It took another 40 years to put myself totally in God's hands and follow this scary path. It is only with total trust that He knows what He is doing that I have accepted this next challenge. In St Peter's and St Luke's, I have learned about the real meaning of relationship and hospitality. It is with huge gratitude I acknowledge your abundant love and support and praise God that He placed me amongst such beautiful, faithful people. I have learnt so much from you and been so privileged to work with Nick, Peg and Ken. It is with much sadness I leave here, but I know it is with your understanding support.

May you continue to know the strength of God's love, the blessings of being held in God's comforting arms, and to continue to proclaim God's message of grace with hearty thanks in Upper Riccarton - Yaldhurst.

~ Margaret

Plant Sale

The Plant Sale held on Saturday the 15th of October was a great success and we raised over \$5,843. The plant sale team would like to heartily thank all those who have helped make this event thrive. Whether it's been potting up plants, helping with preparation for the day, helping on sale day or **purchasing** plants. The fantastic support we have received from the parishioners and community has been heart warming. We would also like to congratulate Sue Chappell, who was the winner of the raffle.

Defibrillator

We are still needing \$1030.00. Please talk to office or Nick.

Labour Day

Monday 24th October is Labour Day, the office will be closed.

The preschool families responded generously to the Christmas Shoe Box appeal this year. On Wednesday this week Rev David Winfield and Leigh Craythorne came for the blessing of the boxes at preschool.

The children loved helping to carry the filled boxes out to the car, ready for delivery to the distribution centre. It's wonderful to see the children so willing to help and it's a great opportunity to encourage our children to be mindful of those less fortunate in our world.

The year is racing by and it will be Christmas before we know it. Please save the date of 27th November for a Christmas celebration at preschool.
