Building Resilience

Our prayers are for those affected by the floods, slips, high tides and the winds of cyclone Gabrielle. Most of us have family and friends affected directly. We in Christchurch know what it's like to have a natural disaster and we know how much the rest of the country did for us.

Much is said about resilience in these times, but very little is offered to help us build it. I offer you a little exercise that helps build resilience.

Take 3 deep breaths, holding each one as long as is comfortable and going a little deeper each time. Imagine you are breathing in the love of God which surrounds you. Say out loud or to yourself, "be still and know that I am God." (Psalm 46:10) Pause in silence for as long as is comfortable in the presence of God. Then say, "be still and know that I am," again pause in silence. Then, "be still and know," silence. Then, "be still," silence. Finally "Be"... silence. Close with a prayer thanking God that he is always with you.

Reclaiming the presence of God and silence in our lives is a great way to build resilience.

Let me know if you find this helpful.

This week at preschool we had a Red themed day on Tuesday 14th (which was also Valentine's Day). The children had fun creating Valentines cards (Most were for 'Mummy and Daddy' – very cute), painting with red paint and creating collage pictures using red materials.

On Friday night this week most of the staff are attending a Trust wide Hui, digitally connecting with our colleagues in Auckland. This is a time of fellowship as we share tea together. There will also be some teaching on updated documents teachers need to be familiar with (these are a teacher's tools, just like a builder has tools).

Mission Table

Last Sunday's Mission Table for St Andrews School in Tonga raised \$574.10 – including a contribution from the Exercise Class.

A fantastic result!! Our thanks to all our supporters who provided goods to sell and helped run the table.

Also, thanks to the parishioners who purchased the offerings.

LENTEN STUDIES 2023

There are **two** studies this year.

One on *Care of Creation*, and the other Diocesan one entitled *A Holy Church*.

"A Holy Church" will be weekly on:

Wednesday of lent in the Atrium at 11am, and

Tuesday 7:30pm at 15 Ludecke Place.

Beginning on the 22nd of Feb.

Please let the office know if you want to order the booklet.

Take time to explore what we each can do to care actively for God's Creation! The environment needs each of us to do even a little bit.

For some Christians, caring for the world *may* sound like we aren't caring for other people. In truth, we are caring for all people when we take care of creation.

The four sessions – looking at Creation are:

19 February: Creation Care and Climate Change

5 March: Transport: Present and Future

19 March: Energy: Sources and Choices

2 April: Food and Health for People and Planet

Please note: the order of sessions might change, due to speakers availability.

We will meet in the Atrium at 11am. Each study will be a brief presentation, then some activities, sharing of ideas and questions, followed by a shared lunch at 12:30 p.m.
